**Mounting Footplate heightening****List of parts in the set**

1 pcs Footstrap kit.

Fig. 1. Parts included in the set.

**Read the instructions carefully before starting installation****Mounting**

1. Attach the straps to the footplate by first pulling the strap through the outer hole of the footplate, then continue under the footplate and attached the velcro, see fig.3. Then pull the strap up through the center hole of the footplate (do the same on both right and left side), see fig 2.
2. Place the footplate heightening on the footplate (one for 30 mm and two for 60 mm height) while the two straps is pulled through the middle hole of the footplate heightening, see fig. 4. Pull the straps through the buckles and fixate at desired length.

Fig. 2. Mount the straps.

Fig. 3. Velcro under the footplate .

Fig. 4. Place the footplate heightening och fixate the straps .
